**NOTICE OF REQUEST FOR RESTITUTION AND MOTION FOR BIFURCATED  
SENTENCING HEARING**

Comes now, the United States, by counsel, and hereby notifies the defendant and the court of the restitution amount requested to be paid to the victims of the defendant's criminal conduct, pursuant to 18 U.S.C. §§ 2259, 3664 & 3771. As of the filing date of this notice, ten requests for restitution have been made in regards to the conduct of the defendant. These requests have all been made by minor children who are depicted in the images received and possessed by Mr. Spencer as a direct consequence of the conduct to which he has pleaded guilty, namely, receiving a depiction of a minor engaged in sexually explicit conduct, in violation of 18 U.S.C. § 2252(a)(2) and (b)(1).

The identified victims requesting restitution are depicted in named "series" of images which are grouped together for record keeping purposes and victim identification, e.g. the "Sweet Sugar Series". The government's request for restitution, in order to both protect the identity of the victims and identify the victims for which it is requesting restitution, will refer to these "series" names in its request for restitution. The amounts of restitution requested are as follows:

The government will file supporting legal memorandum and, with leave of the court, supporting documents under seal, for each victim's request for restitution. The government has communicated with defense counsel and been made aware that the defendant will object to the requested restitution amount.

Furthermore, after consultation with counsel for the defendant, the parties jointly request that the sentencing proceeding be bifurcated and that a hearing to determine the restitution award be scheduled subsequent to, but no later than 90 days from, the sentencing hearing currently scheduled for February 28, 2017.

Respectfully submitted,
